

# Know My World™

**The Sharability Project** highlights the human condition and that which connects us all. Participants choose to explore Leadership or Global Issues through a creative writing prompt that connects the richness of their own personal experiences to powerful topics. By sharing stories with through digital media, participants experience self-reflection, empathy and awareness of others experiences, and work together to create a solution to real world challenges.

- 6 week project
- On-site facilitation by a KMW Program Facilitator
- Extension Resources
- Project reflection (communication from other participants around the world)
- Megastory shared on the Know My World website

#### Focus:

- **Character Development:** Reflecting on and understanding who we are, our actions, and our perspectives.
- **Leadership:** Through creating solutions to challenges with others, participants learn to be leaders.
- **Global Citizenship:** Bridging cultural gaps and accepting cultural differences to work within the cultural context.

#### Project Model: LEADERSHIP/GLOBAL ISSUES
